

The background of the poster is a collage of festive elements. It features several sheets of aged, yellowed musical notation paper with black ink notes and staves. In the foreground, there are green pine branches, a string of small, shiny, reddish-pink Christmas ornaments, and two larger, round, glittery pink ornaments. A single lit candle in a white holder is positioned in the lower right, casting a warm glow. The overall atmosphere is cozy and celebratory.

Concert da Nadal 26-12-2021
